October 2025

This Month in Preschool

Each month we will have a different storytelling focus. We will learn these stories within the same framework each month:

Week 1--Listen orally

Week 2--Add a visual component

Week 3--Read different book versions

Week 4--Act it out

As the month goes on, your child should be able to start retelling the story with increasing detail--you'll be amazed at how quickly they pick it up!

Why Play?

"Play is often talked about as if it were a relief from serious learning. But for children, play is serious learning."
