September 2025

This Month in Preschool

September will be a month of settling in and building relationships--so many new friends to make! The children will gain independence as they become familiar with classroom routines and learn to use various art materials.

Once cold and wet weather hits, we need appropriate clothing to get outside to play each day. Everyone will need a set of winter clothing (hat, gloves, boots, snow pants) that stays at school for the entire cold season. You can put your own set together or choose the hassle-free rental option (see page two of the newsletter).

Muffin 

While it is optional, you are welcome to send a little surprise to share with friends on your child's birthday. Because of allergies, no food items will be permitted.

Summer birthdays will be celebrated as a half-birthday.

Storytelling

The Three Little Pigs

Each month we will have a storytelling focus and learn to tell the story orally, through pictures, in books, and by acting it out.

Why Play?

"In play, a child always behaves beyond his average age, above his daily behavior. In play, it is as though he were a head taller than himself."

Lev Vygotsky
