## This Month in Preschool

*I have been so impressed with how well the children have done picking up the details of the stories we've learned so far this year! Storytelling is so important for language development, listening skills, emotional intelligence, and so much more!*

*The day before our Thanksgiving Break starts, we will have a Friendship Feast in school. Each child will be assigned an ingredient to bring and see how they come together to make something wonderful--just like our class! If you will be absent on November 25<sup>th</sup>, please let me know so I can plan for missing ingredients.*

## Why Play?

*"Play is the foundation of learning, creativity, self-expression, and constructive problem-solving. It's how children wrestle with life to make it meaningful."*
