January 2026

This Month in Preschool

I hope you all had a wonderful holiday season! The new year brings exciting adventures at preschool, including the return of our beloved "Art Cart"—a self-serve station full of unique supplies for children to explore their creativity. This year, we're adding the ChompSaw, which the kids will love!

Parent-Teacher Conferences will be held via Zoom on January 20th, and there will be no school that day. This is a great opportunity to hear about your child's progress and ask any questions about their development.

Important Dates

January 20th

Parent Teacher Conferences
No School

Sign-ups will go out the week before

Happy Birthday

January 4th

Emma

Jack and the Beanstalk

Why Play?

"The world of pretend play is one in which children can be free to express themselves, their ideas, their emotions, and their fantastic visions of themselves, of other people, and of the world. "

Sandra Russ
