April 2026

### This Month in Preschool

We've enjoyed some beautiful days of weather that allow us to spend extra time outside, which the children love. Please remember to send them in layers so that they have options to keep comfortable as the temperature fluctuates.

Due to overwhelming positive feedback, we will be having a class picture day this month! If you have not already, you will be receiving emails soon from the photographer with information about this day, so keep an eye out!

It's always a fun month when we study *The Little Red Hen*....bread-baking here we come!

### Important Dates

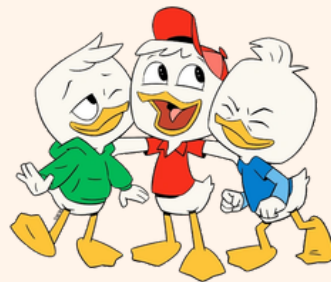

April 23rd  
Picture Day!

All students will be photographed for the class picture and everyone will receive a gallery to look through, but there is no obligation to make a purchase

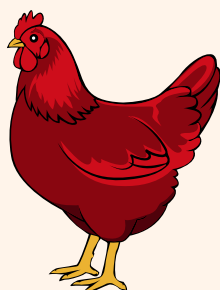

### Happy Birthday

April 15th  
*Hewey, Dewey, and Louie*

### Storytelling

*The Little Red Hen*

### Why Play?

*"Play, while it cannot change the external realities of children's lives, can be a vehicle for children to explore and enjoy their differences and similarities and to create, even for a brief time, a more just world where everyone is an equal and valued participant."*
