

Seed to Sprout NEWSLETTER

October 2026

This Month

October is a busy month—the **Seedlings** will be introduced to the story “Stone Soup” and begin studying artist Odilon Redon. **Sprouts** will practice keeping the beat to music.

The children are already filled with excitement about their costumes for Halloween and we look forward to showing them off at our class parties!

This year, our parties will be a little shorter! Costumes and excitement can make for a BIG day for little ones, so we’re keeping the celebration brief and joyful to help everyone stay regulated and enjoy the fun. We’ll pack plenty of Halloween magic into our time together!

Important Dates

October 6: Winter Clothing Due at School
(snow pants, boots, gloves, hat)

October 19-23: Fall Break • No School

10:00-11:00

Birthdays

October 25—Hayes
October 31—Roman

Why Play?

Child development theorist Lev Vygotsky called play the “source of development.”

When play is thoughtfully planned and supported, it’s about so much more than keeping children busy—it opens the door to countless opportunities for learning and growth.
